Let me know what you think of
the plan of the book. I have
written it up in a rough
sketch of a page or two. I
will send it to you when
you get it. I have not
yet decided whether to
publish it or not. I
will let you know when
I have made up my mind.
I am very much interested
in your views on the
subject. I will be glad
to hear from you again.
I am, dear Sir, very
respectfully,
Your obedient servant,
